Building Digital Infrastructure for NGOs

## About Us

1NGO is dedicated to revolutionizing the digital presence of NGOs across India. Our aim is to empower these organizations by providing them with the tools and knowledge to enhance their online visibility and effectiveness.

## Vision

Bridging the digital divide in the social sector.

## Mission

1NGO has set out on a mission, in the next 3 years, to build a digital presence for 5000 NGOs in these 7 sectors - *education, women empowerment, child development, health, environment, disability, and rural development*. By preparing these NGOs to grow in the new digital centric world, 1NGO seeks to touch a million lives in the next 3 years.

## OUR HISTORY

The journey of 1NGO began in 2020, when Gururaj Potnis and Priya Karnik founded the organization with a vision to digitally empower India's social sector. 1NGO's mission is to equip NGOs with the knowledge and tools necessary to create effective websites and leverage social media. Today, our team of 10 dedicated associates work relentlessly to advance this vision, making a significant impact across the sector.

"1NGO Trust is recognized internationally, receiving the prestigious CSR Excellence Award as the Most Impactful Digital NGO Solutions Firm - India by The Business Concept"
